

Applicants, current employees, volunteers and employees from other state agencies who work in the California Department of Corrections (CDC) facilities or with CDC inmates (as defined in Penal Code Section 6006 et seq.) are required to be evaluated for tuberculosis (TB) and certified to be free of TB in an infectious or contagious stage prior to assuming duties with CDC, and at least annually thereafter. The evaluation shall be done by a licensed physician and surgeon or his/her licensed designee whose legally authorized scope of practice allows him/her to conduct examinations for TB under physician supervision; in accordance with the most current recommendations of the Centers for Disease Control and Prevention. Certificates shall be submitted to and maintained by CDC.
